

Components

Highest Quality and Hygiene Standards - Premium Looks - Infinitely Recyclable

Reliability you can count on

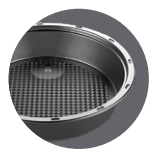

Our premium designs not only enhance your brand's look but also offer convenient open/close features for seamless interactions with our 360° messaging solutions. Our state-of-the-art printing lines and graphics experts are skilled in producing a variety of unique designs for our customer's cans.

Our products

Our components offer sustainable, high-quality, protective packaging. We produce 99mm and 127mm Tab with Rivet® peel-off ends with QR Codes activated by the filler. We also offer embossing and various printing options depending on the end type.

Bottom Ends

Our plain ends offer a standard, safe and protective closure for your product in all size variations. Blue Dot bottom ends prevent counterfeiting by enabling brands to personalize the product for diameters 99, 127, and 153.
